

Evenwood CofE Primary School Sports Premium Impact 2017-18

In the 2017/18 academic year we received £13,174. The money was spent to ensure that all five grant conditions were fulfilled. The grant conditions are as follows:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Expenditure	Details	Impact	Sustainability	Evidence	Link to grant conditions	Cost
Competition SLA	To give the children opportunities to attend competitions and festivals to compete against other schools and other children.	All of the children have had opportunities to represent the school and compete against children from different schools. Because of this the children are confident in competitive situations and want to be part of sports teams. This has resulted in increased participation during lunch time clubs.	Further intra-school competitions can be created to increase competitive sport pupils have access to. Subject leader has developed links to create further competitions if required.	Class record sheets SSP data information Teacher record of attendance sheets	4, 5	£3500
Sports apprentice	Employment of a sports apprentice to help support the delivery of P.E lessons and to offer lunch time clubs.	Having sports apprentice in P.E lessons has helped ensure that all children are engaged in P.E lessons including the SEN children. The apprentice has helped the HA children excel in P.E lessons. Their enthusiasm for sport has helped to raise the profile of sport across the school and their ability to offer daily lunch time clubs has ensured that participation levels across the school remain extremely high.	Pupils will continue to develop their leadership skills so that they can repeat some of the extra-curricular sessions with those delivering them. Staff involvement would also enable them to reproduce some of the sessions.	Discussions with teachers. Class assessment data. Club registers	1, 2, 3, 4	£8,500

Transport	Buses to transport pupils to and from different competitions and events throughout the year.	This allowed every single child in the school to attend at least two competitions or festivals throughout the year.	-	Subject leader attendance documents. SSP data sheets.	5	£2000
Equipment	New equipment which was purchased throughout the year to help deliver an inspiring curriculum and to replace any stocks that had been diminished due to over use.	Has increased the children's enjoyment by having up to date equipment. More children have attended a greater variety of clubs using the new equipment.	New equipment is reusable and will last a significant amount of time before needing to be replaced.	Extra-curricular activity lunch time clubs display. Lunch time club registers. Changing long term plan. SOC research	4, 5	£2250
Additional Swimming lessons	Additional swimming lessons were purchased to ensure children meet the standard set in the National Curriculum.	The percentage of children meeting the standards set by the government has increased across KS2.	-	Swimming Assessment	1, 4	£500
					Total: £16,750
