Maths

Monday— Friday	<p>You have been set five different activities to complete on mathletics. Complete one activity each day. Your log in details are in your home learning book.</p> <p>This week we are focusing on addition and subtraction.</p>
---------------------------	---

Topic—Geography

Complete a mini project on a county in Africa. You can present your project as a book, PowerPoint, poster or even a TV news report. Below is a list of what to include.

Choose a country in Africa and name the capital city. Draw or copy and paste a map of the continent and locate the country.	Find and name the local landmarks in your chosen country. Identify whether they are human or physical features.	Find out what the weather is like in your chosen country. Keep a daily record for the week.	Find out what animals live in your chosen country. Name and describe some of the animals. You may want to draw and label them too.	Compare an area of your chosen county with a local town. What is the same and what is different?
