Unit 10 -m/oo/n
The Blue Scooter

Frank had a brand new, blue scooter. It glinted in the sun. The scooter was cool.

Alf had an old, blue scooter. It was his dad's. His blue scooter was not cool.

"Let's have a contest," said Frank.

"OK," said Alf, but he knew that Frank's scooter was faster.

The rabbits took the scooters to the top of the hill. Frank's scooter flew past Alf's scooter.

As Frank zoomed down the hill, he hit a bump. He flew off his scooter and landed in the mud.

Alf got screws from his tool box to fix Frank's blue scooter. "You are a true pal!" said Frank.
