Whole School Activities

'Kindness brings Happiness'

- Spread the happiness**
 Can you write a letter or make a card to send into your local nursing home? You could include a funny story or joke. The elderly have to isolate for 12 weeks- sending something special may cheer someone up! Spread the happiness.
- Key worker collection point**
 People who are still working on the frontline such as bin men, postmen, delivery drivers and milk men need some happiness too. You could decorate a box and leave treats for them to collect when they visit your house. I am sure that would put a smile on someone's face.
- Help around home**
 This is a stressful time for everyone, doing a job for your adults might lighten their load a little and make them feel happier. Could you do a job that you don't normally do for your adults? For example, could you mop a floor?
- Happiness/Kindness acrostic poems**
 Write an acrostic poem for either the word happiness or kindness. Can you record yourself reading it and ask an adult to send it to the school's Facebook account.
- A moment of happiness photo/video during lock down**
 We would love to see any videos/ pictures of a moment of happiness that you have experienced during lockdown. We would like to create a collage for in school but also create a video to post on social media and share with our pupils and friends. If you would like to take part please send one picture or short video to the schools Facebook account. Please remember that this will be posted on social media so if you would **prefer it not to be** used please let us know **explicitly**.
