

COUNTING

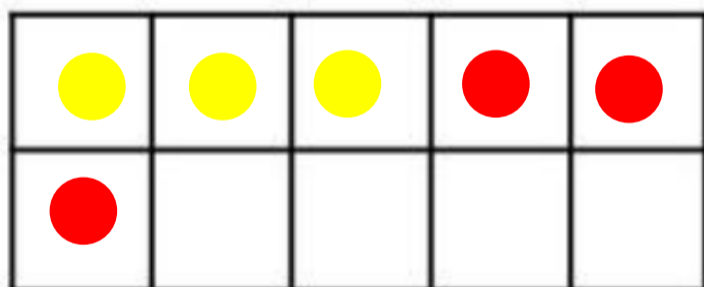

| | | | | |
|--|---|--|---|---|
|  |  |  |  |  |
| How many snowmen? | How many houses? | How many snowflakes? | How many igloos? | How many altogether? |

CALCULATING

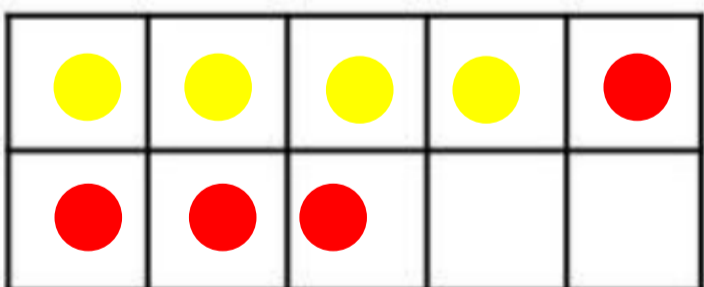

Use the tens frame to help you find the answers.

$$8 + 2 = \square$$

$$3 + \square = 6$$

$$4 + 4 = \square$$

NUMBER FORMATION

Trace over the numeral, make sure you start in the correct place! Can you recognise and name each numeral as you trace them? Have a go on your own too!
