WRITING WORDS

Task 1

For this task you should say the full word to your child and let your child use their phonics to write the full word. You can then make a sentence with these words e.g. I had a shed and it had a lock.

MISSING SOUNDS

Task 2

For the first grid, you should say the full word to your child and let your child use their phonics to write the missing sound. The second grid will require you to say the full word and your child will write the full word using their phonics.

SENTENCE BUILDING

Task 3

Complete one sentence at a time. Ask your child to read each word and put them in order so they make sense. If your child needs a little help, dictate the sentence for them, one word at a time. Then, they can stick the words on a piece of paper. Once they've done that, get them to read the sentence again.

1	duck	went	to	the
	The	pond.

WORD READING

Task 5

These words all use sounds that were taught earlier in the year. Ask your child to read each word then trace over the word saying the sounds as they are writing. You could also make up a sentence using some of the words and ask your child to write them down as an extension task e.g. I can twist and jump!

split twist plump swift

trap step drum trust scrap

drink smell grab hitch

botch thing thump flock
