

COUNTING

				
How many?	How many?	How many?	How many?	How many?

CALCULATING

Can you find the total amount? Please encourage your child to count backwards from the first amount to find the total. (E.g. count back from 6 for the first example to find the answer, '7' 6, 5, 4, 3)

MISSING NUMBERS

Fill in the missing numbers

10	9			
----	---	--	--	--

10		8		6
----	--	---	--	---

	13	14		
--	----	----	--	--

	19			
--	----	--	--	--
