

Creative (Art, DT, Music, Dance)

Art

In art this term, we will be looking at the works of Thomas Mcguinness and his style of painting. We will be looking how art was used in War Propoganda posters.

DT

This term, we will be designing, making and evaluating a model bridge. We will be looking at different structures of bridges.

Music

We will be studying war time songs and look at the lyrics they used.

We will compose and write lyrics for a world war 2 song.

PE

The children will go swimming where they will learn and perform safe self-rescue in different water based situations. They will practise and use a range of strokes effectively, for example, front crawl, backstroke and breaststroke.

Through our partnership with the SSP, children will play invasion games.

MFL

This term, we will be learning a new language, Spanish. During the first half term, we will be learning new key vocabulary.

Computing

In this term, children will explore the importance of E-Safety looking specifically at passwords and online communication.

Also, this term children will be given the opportunity to create simple animations using scratch including creating characters and speech.

Websites

Times Table Rockstars - <https://trockstars.com/>

Humanities (History, Geography)

History

In this term we will be looking at World War 2. We will be looking at how the war affected children in cities. We will look at the causes of the war. We will study a major figure from the war and look at the Holocaust through the diaries of Anne Frank.

Autumn 1

Books/resources/films/music/visits/visitors/role play etc

Friend or Foe
Warning of the Curious BFI
One Winter's Night

English

This term, we are going to be writing across a range of genres including descriptions, narratives, speeches and letters. We will be concentrating on adding key vocabulary and grammar in our writing.

Basic Skills

We will start the term by looking at nouns, determiners, noun phrases, verbs, adverbs, adverbials and verb forms to consolidate our learning.

Reading

This term, we will be reading a range of fiction and non-fiction texts. We will use these texts to answer a range of retrieval, inference and vocabulary questions.

Science

To start the year, we will be studying the Solar system and the planets. We will research the planets and the Sun. We will be looking at the planet earth and why we have the seasons and night and day. The children will produce a magazine for children on the subject.

SMSC

This term we will be looking a range of key events in the diary. To celebrate these we will be looking at a range of pictures and books to discuss their effects on the World.

RE

We will be looking at the Northern Saints and how they influence through their actions. We will look at what qualities Saints have and look at why they were made saints.

Maths

Mental

There will be a focus on consolidating our multiplication, division, addition and subtraction knowledge through a range of activities.

Main

There will be a focus on consolidating our place value knowledge. We will be identifying the value of digits in a range of numbers, ordering numbers including numbers with up to three decimal places, rounding and times and dividing a range of numbers by 10, 100 and 1000.
