

After School Clubs - Parent's Comments

We feel very proud that we have been able to offer a variety of after school clubs for all year groups. As you are aware these have been offered free of charge.

As we are half way through the year, I would be grateful for your feedback. This will be used to help us decide which clubs are most popular and which should possibly continue if further funds become available.

- Tag Rugby and Football Clubs - My son has gained so much from these sports. He has been taught discipline and it is extra sports activities.
- Spy and PE Club - My son has really enjoyed Spy Club but both my children also loved PE club.
- Football Club - He enjoys playing the game and it is helping his with new skills.
- Dance Club – The range of clubs is excellent. It's good to enable the kids to try a range of things, broaden their experience and boost their confidence. It's good that they're free – I'd be happy to pay a small fee to support activities.
- Spy Club, PE Club, Arts & Crafts and many more – My son enjoys all the after school clubs. It's a great chance for him to spend time with friends and learn new things. He loved Arts & Crafts and Spy Club.

Making a difference where you live
