Here are some suggestions of learning you could provide for your children at this time, if you would like to make any recordings of these tasks and experiences you can upload this to Tapestry.

Monday	<p>Listen to Mrs Hill read 'The Gruffalo' on the YouTube link. https://www.youtube.com/watch?v=mG5kJjGnStQ</p>	
Tuesday	<p>Go on a rainbow scavenger hunt. Find something that is: Red, yellow, orange, green, blue, purple.</p>	
Wednesday	<p>On your daily exercise can you name all of the different plants you can find? What is similar? What is different.</p>	
Thursday	<p>Sing a song: Can you sing your favourite nursery rhymes to your adults? Can your adult teach you a new nursery rhyme?</p>	
Friday	<p>Listen to Mrs Hill read 'The Gruffalo' on the YouTube link again, can you tell your adult what happened in the story? Who was in the story? What animals were there? Who is your favourite character and why?</p>	

Number

Daily	<p>Practice your counting skills, you can count lots of different things. We recommend sweets. Don't forget to give one number name to each object!</p>
