

Over the week complete the activities either in your home learning book or on the websites provided.

Monday	<p>Listen to Ms Brazier read 'Bog Baby' on YouTube—https://www.youtube.com/watch?v=UTatx7a97Q8</p> <p>How do you think the girls feel when they find bog baby? Why did they make the decision to let it go?</p>
Tuesday	<p>Watch 'The Shape Song' on cbeebies- How many shapes can you identify?</p> <p>https://www.youtube.com/watch?v=RRiWpCfp75g</p> 
Wednesday	<p>Inventor scavenger hunt:</p> <p>Find something that:</p> <p>*you can turn *is bumpy *is metal *you put together *3 round things *you twist *shiny *you can roll *a tube *something clear *can bounce</p>
Thursday	<p>Dough disco: It's time to get those fingers moving! Follow the YouTube link below can you teach your adult how to go to the dough disco?</p> <p>https://www.youtube.com/watch?v=9AvBQlle1Lo</p> 
Friday	<p>Music appreciation: We are looking at music appreciation this week. We would like you to find the songs that were number 1 in the music charts on the dates you , your parents and your grandparents were born.</p> <p>Can you them? What is the difference? What did you like about them?</p>
Daily	<p>Listen to your favourite story books, ask an adult to read to you or read the story from the pictures. Look together with an adult at a picture book you have not read before, there are many stories on You Tube that you may not have heard. Try something new!</p>

Whole School Activities

**World Environment Day
5th June 2020**

The foods that we eat, the air we breathe, the water we drink and the climate that makes our planet habitable all come from nature. Yet, these are exceptional times in which nature is sending us a message: To take care of ourselves we must take care of nature.

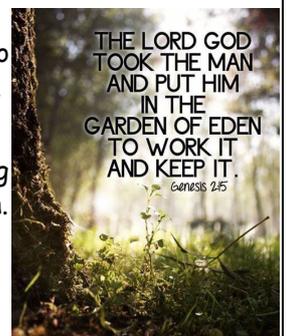

Activity 1—Reduce your carbon footprint by completing the seven day challenge that is attached to this document.

Activity 2—Find out which items can be recycled and how long different materials take to biodegrade.

Activity 3—On your daily walk take photo evidence of areas that have no litter and areas that are littered. Compare the areas and think about why there is a difference.

Activity 4—Research the artist Kurt Schwitters. He created pieces of art using rubbish, such as newspapers and letters. Make your own art using items out of your recycle bin.
<https://www.tate.org.uk/art/artists/kurt-schwitters-1912>

Activity 5—Create a poster promoting ways to keep the world a clean and tidy play to live.

wiseGEEK

RECYCLE

Make sure you put any products that can be recycled in the recycling bin.

MAKE EVERY DROP COUNT

Turn off the tap when brushing your teeth or washing your hands and have quick showers.

CHANGE YOUR TRANSPORTATION

Ride your bike or walk instead of taking the car.

WAYS TO REDUCE YOUR CARBON FOOTPRINT

REDUCE ENERGY USE

Turn off all electrical appliances when you are not using them.

REUSE OR REPAIR

Can you reuse something again or in a different way? If it is broken, see if it can be fixed before throwing it away and buying a new one.
