

# Evenwood C of E Primary School Sports Premium Impact 2019-20

In the 2019/20 academic year we received £16,738. The money spent was spent to ensure that all five grant conditions were fulfilled. The grant conditions are as follows:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Expenditure	Details	Impact	Sustainability	Evidence	Link to grant conditions	Cost
Staindrop School Sport Partnership SLA	To give the children opportunities to attend competitions and festivals to compete against other schools and other children.	All of the children have had opportunities to represent the school and compete against children from different schools. Because of this the children are confident in competitive situations and want to be part of sports teams. This has resulted in increased participation during lunch time clubs.	Further intra-school competitions can be created to increase competitive sport pupils have access to. Subject leader has developed links to create further competitions if required. Sedgefield Sport Partnership SLA	To increase the confidence, knowledge and skills of all staff in teaching PE.  To provide a broader range of sports and activities to children through tailored support and specialist sport days.  Specialist training provided to sports leaders.	Through working alongside specialist coaches, teachers have greater confidence and knowledge of different sports. Greater understanding of activities allows teachers to challenge children and progress them onto the next steps of learning across games, dance, gymnastics, athletics and OAA.  Early years staff have received bespoke training on early years movement programmes which will be taught over the coming years. Early years staff are now confident to lead these sessions and monitor children's progress.  There has been an increase in the number of sports leaders who deliver playground games	Through discussions with staff, they speak positively about working alongside SSP and the positive impact it has had on their confidence of teaching different aspects of PE.  Early Years staff are trained in leading the movement programme that will be taught across the coming years.  Train an additional group of children to be sports leaders. During this training, children to collect active activities from peers to deliver during playtimes. 		and assist in management of school sports events e.g. sports days and Active Ted.  Children have taken part in a range of sports through taster session, follow up session and creating links with different clubs. This has improved the uptake in after school clubs and promoted the importance of Active 30 at home.	Continue Active Ted in Year 1/2 to promote active lifestyles at home.			
Forest Schools Training	To provide training of two teaching assistants to enable them to lead effective outdoor learning	Training allowed staff to build confidence and awareness of delivering the curriculum in an outdoor classroom where children were able to explore and challenge their understanding.  Due to training dates and COVID-19 outdoor lessons were not running consistently across the academic years.	The level 3 training will be completed in October 2020.  Staff are more confident with leading outdoor learning and engaging children in activities.	Certificate of achievement Photograph records	1, 3, 4	£3050
Transport	Buses to transport pupils to and from different competitions and events throughout the year.	This allowed every single child in the school to attend at least two competitions or festivals throughout the year without a charge to parents.	Continue to budget for transport to allow children to continue to participate in a number of sport competitions and festivals out of school.	Subject leader attendance documents. SSP data sheets.	5	£605
Equipment	New equipment which was purchased throughout the year to help deliver an inspiring curriculum and to replace any stocks that had been diminished due to over use.	Has increased the children's enjoyment by having up to date equipment. More children have attended a greater variety of clubs using the new equipment and are more active during break times.	New equipment is reusable and will last a significant amount of time before needing to be replaced.	Extra-curricular activity lunch time clubs display. Lunch time club registers. Changing long term plan. SOC research	4, 5	£2000  *Only £500 of this was spent due to COVID-19 restrictions
Forest Schools Equipment	New equipment to resource the forest area	Resources were not ordered due to recent lockdowns.				£1861
					Total: £16738 Monies left over due to school closure £3361
