

Zones of Regulation – Lucy and Megan 2

Lucy lets Megan use the computer but is very angry and upset.

Think about:

What unexpected behaviours are happening?
How does Megan feel?
What is Megan thinking?
What will Megan do or say?
How does Lucy feel?

The teacher introduces a timer, after 10 minutes Lucy has to stop on the computer and find something else to do.

Think about:

What expected behaviours are happening?
How does Megan feel?
What is Megan thinking?
What will Megan do or say?
How does Lucy feel?
