

Creative (Art, DT, Music)

Art - Parthenon Frieze

This half term in art, we will be looking at art from Ancient Greece including the Parthenon Frieze. Children will be evaluating Ancient Greek art composed by Phidias and then creating their own art based on his work through sketching and sculpting.

Music

This half term, we will be working with the music specialist teacher to use all of the skills of singing, dancing, playing and composing to create small group performances within class.

PE

This half term, we will be doing acrobatic gymnastics and dance. Children will also be developing their outdoor play and learning through forest school.

MFL

Spanish

Year 3 children will be start to develop their basic greetings and their nouns.

Year 4 children will start to be able to hold conversations through asking and giving names.

Computing

- In this term, we will be looking at online safety and digital literacy through discussing that some people on the internet should not be trusted. Children will also discuss that concerns they see on the internet should be reported to a trusted adult.
- Children will also start to develop skills of using block programmes such as scratch to input sets of instructions within a sequence.
