

## Evenwood CofE Primary School's Sports Premium Impact 2021-2022

In the 2021/22 academic year we expect to receive £16,830. Plus, the additional money from the academic year 2021-22 (£6761). The total monies available for this academic year is £23,612. The money will be spent to fulfil the following grant conditions:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Expenditure	Details	Link to grant conditions	impact	Sustainability	Evidence	Cost
Staindrop Sport Partnership	To provide opportunities for all pupils to access competitive sport. Every child will attend a competition or festival and will compete against other children from local schools. Competitions include: tag rugby, hockey, football, cricket, netball and many more. All children with attend sport festivals. During the festivals children will participate in a range of activities.	4, 5 2, 3	This has resulted in children being more confident in competitive situations and wanting to be part of a team. Where children have participated in events for	Further intra-school competitions can be created to increase competitive sport pupils have access to using federated schools. 			'participation' children have had fun and enjoyed the experience. This has resulted in more engagement in PE lessons, as well as lunch time clubs.	to complete competition in school		
School PE Kit	Purchasing school PE kit throughout the school will allow all of the children to regularly participate in sports and PE. It will allow all children to take part in a number of different sporting activities they would not be able to without the kit.	1, 2, 3, 5	Has increased the children's enjoyment by having up to date equipment. More children have attended clubs during the school day.	New kit is reusable and stays in school so can be reused.	Class record	£100
Premier Education	The role Premier Education will provide in the school is, it will give us opportunity to offer a weekly after school club throughout the school	1, 2, 4	Company went bust during time		n/a	£1540 planned, rest spent OPAL

	that we would not be able to offer due to not having the equipment. Having this company in school will also help to support staff subject knowledge by working with professional who have the specific subject knowledge.					
Forest schools' resources	In addition to training staff on forest schools, we will purchase forest school resources. This will continue our aim to raise the importance of it within our school and allow our trained staff to give the children new opportunities within the forest school environment, maximising the children's experience.	1, 2, 4	Has increased the children's enjoyment by having up to date equipment. More children have attended clubs so that they can experience the new equipment and allowed them to complete new activities in the woodland area.	New equipment is reusable and will last a significant amount of time before needing to be replaced.	Lunch time clubs Display. Changing long term plan	£1000
Forest schools' clothing	Purchasing forest school clothing for each class will allow all children to take part in activities in the forest school area which they would not be able to without it.	1, 2, 3, 4	Has increased the children's	New equipment is reusable and will last a	Lunch time clubs Display.	£500

			handball. Some of these decisions were made after discussions with the sports organising crew and the pupil parliament.			
Forest School staff training	Three members of staff are learning new skills with the Forest Schools training; therefore, we will have one member of staff in each class trained to Level 3 standards to lead session. The training will increase staffs confidence, knowledge and skills in outdoor education and outdoor adventurous activities. Throughout the year, all children will be involved in forest schools with an aim to broaden the range of activities and participation. This will also provide new opportunities for further after school clubs, ran by qualified staff.	1,2,3,4	Improved the forest school offer to children in the school and upskilled the staff.		Lunch time clubs Display. Changing long term plan	£2450
Opal Play	The OPAL programme would support the schools play improvement and sustainability to improve the quality of play. OPAL provides staff with training and development to develop play literacy while increasing physical activity. This would provide children who are not	1	Evaluated our current playtime practise and then created an action	Long term changes put into practise with a long term plan in place.	Display Website	£4750

	engaging in sports with the opportunity to still have active playtime and lunchtimes.		plan and put steps in place to improve play.			
Opal playground resources	Following our grounds meeting with OPAL play when we have created an action plan. We will use this money to improve the children's opportunities at lunch and break time. This will allow children to engage in new activities throughout their breaks.	1, 2, 4	Has increased the children's enjoyment by having up to date equipment. More children have attended clubs so that they can experience the new equipment.	New equipment is reusable and will last a significant amount of time before needing to be replaced.
